

Subject: Nationwide Recall of Compounded Medications

After a routine inspection by the [Food and Drug Administration](#) (FDA), [Pharm D. Solutions, LLC](#) has issued a [voluntary recall](#) of all sterile compounded drug products due to potential contamination risks.

Recall Details

This recall encompasses all compounded sterile drug products that were dispensed nationally in the last twelve months to customers and/or medical facilities.

The pharmacy has already notified potentially affected customers of the recall either directly or via U.S. mail. To date, Pharm D. Solutions, LLC is not aware of any adverse events related to the recall or there being any indication that the compounded products are actually contaminated. This voluntary recall is being performed out of caution and to promote patient safety.

This recall does not affect the pharmacy's non-sterile compounded products or retail pharmacy operations.

The Impact

At this time First Script shows no impact due to this recall.
