Case Management: Meaning and Purpose in the Workplace

October 16, 2019
1 MIN READ

[Coventry](#)

At Coventry, our Field Case Managers have a place where they can truly find meaning and purpose in their nursing practice. Our field nurses continue to be patient advocates and bring about positive outcomes through their diligence to best practices. Field Case Manager, Zehra Mirza, offers us some insight into her practice at Coventry in this [video interview](#).
